

MISSION CHINA LEGAL ASSISTANCE AND LAW OFFICES

(Last edited on January 14, 2021)

The following is a list of law offices in China, which includes private and quasi-private Chinese law firms as well as private American law firms with a presence in the Consular district. Most of the firms listed specialize in commercial law, but many are qualified to offer advice on a full range of legal issues. Some will provide assistance with adoptions in China. *Note: China Country Code is +86, if you are calling a law firm in Beijing from The U.S., you need to dial 011-86-10-XXXXXXX; if you are calling from China but outside Beijing, you need to dial 010-XXXXXXX.*

Please note: The Department of State assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the entities or individuals whose names appear on the following lists. Inclusion on this list is in no way an endorsement by the Department or the U.S. government. Names are listed alphabetically, and the order in which they appear has no other significance. The information on the list is provided directly by the local service providers; the Department is not in a position to vouch for such information.
